Live Events

- “*Heavens Gate*” was a megastunt that aired live on CCTV and Hunan TV to greater China in 2011. RedBull China was responsible for the marketing and it reached an estimated viewership of hundreds of millions of people. There were three documentaries made about the live event, two in Chinese and one in english. The one hour Chinese speaking version had a viewership of 40 million people on its first airing. The english speaking version was licensed to National Geographic International and has aired all over the world.

- “*Flying Dagger*” was the second live megastunt to be aired on CCTV and Hunan TV to greater China in 2013. The Flying Dagger again got hundreds of millions of viewers to tune in during the live broadcast. Both ABC and NBC embedding news crews for the lead up and the execution of the event. CNN, FOX, CBS, BBC and Reuters were just a few of the news outlets to cover the story around the world. There was an english speaking documentary made about the event that was licensed by National Geographic International.
- Hired by the Chinese government to jump the Jin Moa Tower in Shanghai for a TV special called “*The International Base Jumping Show*”. It was aired live to Asia and had hundreds of thousands of spectators on location.
- Hired by Marina Bay Sands Singapore to organize a skydiving demonstration for the grand opening of their integrated resort in April of 2010.
- Hired by REDFILO for the International Defense Expo in Abu Dhabi 2011. Was part of the opening ceremonies flying wing-suits in formation and opening parachutes at 500ft above the crowd.
- Hired by the Malaysian government to base jump the Petronas Towers for their 2000 to 2001 new year celebration. Broke a world record for largest base jumping formation from a building. 15 people jumped the building simultaneously in front of hundreds of thousands of spectators live including the prime minister of the country.
